

Pocket Book

1. Fold a sheet of paper in half like a *hamburger*.
 2. Open the folded paper and fold one of the long sides up two inches to form a pocket. Refold along the *hamburger* fold so that the newly formed pockets are on the inside.
 3. Glue the outer edges of the two-inch fold with a small amount of glue.
 4. **Optional:** Glue a cover around the *pocket book*.
- Variation:** Make a multi-paged booklet by gluing several pockets side by side. Glue a cover around the multi-paged *pocket book*.

Summarize information on note cards or on quarter sheets of notebook paper. Store other foldables, such as *two-tab books*, inside the pockets.
